2.2 Where the Client wishes to purchase Services from the Supplier, the parties shall enter into individual Statements of Work pursuant to the process set out in clause 4.

3. Commencement and duration

3.1 This Agreement shall commence on the Commencement Date and shall continue to remain in force until:

- (a) terminated in accordance with its terms; or
- (b) all Statements of Works entered into under this Agreement have terminated or expired, in which case this Agreement shall automatically expire 180 days thereafter.

4. Statements of Work

4.1 Each Statement of Work shall be agreed in the following manner:

- (a) the Client shall request the Services from the Supplier and provide the Supplier with as much information as the Supplier reasonably requests in order to prepare a draft Statement of Work.
- (b) Following receipt of the information requested from the Client the Supplier shall, as soon as reasonably practicable either:

4.3 Each Statement of Work entered into forms a separate contract between the parties governed by and subject to the terms of this Agreement.

4.4 Each Statement of Work shall:

- (a) come into existence on the commencement date set out in the applicable Statement of Work or when the Supplier starts to provide Services requested by the Client (whichever is earlier); and

5. Set-up Services

- 5.1 Where the Supplier has agreed to provide Set-up Services pursuant to a Statement of Work, the Supplier shall use reasonable endeavours to perform the Set-up Services in accordance with the timetable agreed between the parties, but any such dates shall be estimates only, and time shall not be of the essence in this regard.

- 5.3 The Supplier shall use reasonable endeavours to correct any Error within a reasonable time and, on completion, re-submit the Services to the Client. The provisions of clause 5.2 and this clause 5.3 shall then apply again, up to three additional times. If the Supplier is unable to correct the Error after three attempts, either party may terminate the applicable Statement of Work with immediate effect by giving written notice to the other party, without further liability to the other.
- 5.4 If the Services are found to conform with the Services Specification or if the Client does not provide any written comments within the five Business Day review period described in clause 5.3, the

- (a) perform the Services with all reasonable skill and care and in accordance with the Service Levels;
- (b) provide the Deliverables in accordance with the applicable Statement of Work in all material respects; and
- (c) meet any deadlines agreed between the parties in writing, but any such dates shall be estimates only and time for performance by the Supplier shall not be of the essence of this Agreement.

7.2 This Agreement shall not prevent the Supplier from entering into similar agreements with third parties, or from independently developing, using, selling or licensing materials, products or services that are similar to those provided under this Agreement.

7.3 The Client must take reasonable measures to ensure it does not jeopardise services supplied to third parties on the same shared access infrastructure used by the Supplier in connection with the Services. This includes informing the Supplier promptly in the case of a denial-of-service attack or distributed denial-of-service attack. In the event of any such incident, the Supplier shall work with the Client to alleviate the situation as quickly as possible. The parties shall discuss and agree appropriate action (including suspending the Services).

7.4 Client understands and accepts that the Supplier is reliant upon third parties to ensure the supply of some of the Services. Accordingly the Supplier may be required to alter, restrict, suspend or terminate the Client's access to those Services without liability. Where the Supplier takes any such action, it will use reasonable endeavours to:

- (a) notify the Client; and
- (b) provided that such action has not arisen from the Client's breach of this Agreement, find a replacement supplier to provide similar services to the affected Services.

8.3 As the Supplier has no or limited control over the Third Party Services, the Supplier provides no representations, warranties or guarantees regarding the provision of such Third Party Services. The Client's sole remedy in respect of such Third Party Services shall be through enforcement of the Third Party Terms against the relevant third party and the Client shall indemnify the Supplier against any losses, damages, costs, expenses, claims and liabilities suffered or incurred by the Supplier arising from or in connection with any action or claim made against the Supplier relating to the Third Party Services.

- (j) comply with all applicable laws and regulations with respect to its activities under this Agreement;
- (k) transfer or otherwise provide access to any Assets requested by the Supplier from time to time;
- (l) transfer the benefit of the contracts which are necessary for the Supplier to provide the Services as notified to the Client from time to time. If any consent of any third party is required for the transfer of such contracts which has not been obtained at, or before, the commencement of the applicable Services, the Client shall use all reasonable endeavours to obtain that consent as soon as possible. Unless or until any such contract is transferred, or any necessary consent is obtained, the parties shall work together, in good faith, to agree an alternative solution which may include the Supplier finding an alternative source of supply and/or the Client holding the benefit of the relevant contract as agent for the Supplier; and
- (m) comply with any additional responsibilities of the Client as set out in the relevant Statement of Work.

9.2 The Client shall not store, distribute or transmit through the Services any material that:

9.4 The Client shall not provide the Services directly or indirectly to third parties.

9.5 If the Supplier's performance of its obligations under this Agreement is prevented or delayed, or if the Supplier fails to meet the applicable Service Level, as a result of any act or omission of the Client, its agents, subcontractors, consultants or employees then, without prejudice to any other right or remedy it may have, the Supplier shall:

- (a) be allowed an extension of time to perform its obligations equal to the delay caused by the Client or shall not be liable for its failure to perform the Services (as the case may be); and
- (b) be entitled to recover any additional costs, charges or losses the Supplier sustains or incurs that arise directly or indirectly from such prevention or delay.

10. Non-solicitation of employees

10.1 The Client shall not, without the prior written consent of the Supplier, at any time from the date on which any Services commence to the expiry of twelve months after the completion of such Services, solicit or entice away from the Supplier or engage or attempt to engage any person who is, or has been, engaged as an employee, worker, contractor or consultant of the Supplier in the provision of such Services.

10.2 Any consent given by the Supplier in accordance with clause 10.1 shall be subject to the Client paying to the Supplier a sum equivalent to 50% of the then current annual remuneration of the Supplier's employee, worker, contractor or consultant or, if higher, 50% of the annual remuneration to be paid by the Client to that employee, worker, contractor or consultant.

11. Change control

11.1 Either party may propose changes to the scope or execution of the Services, but no proposed changes shall come into effect until a relevant **Change Order** has been signed by both parties. 11.4 If the parties:

- (a) agree to a Change Order, they shall sign it and that Change Order shall amend the relevant Statement of Work (the Supplier shall have no obligation to proceed with a Change Order unless and until that change is agreed in writing and signed); or
- (b) are unable to agree a Change Order, then the Supplier may withdraw the Change Order and continue providing Services pursuant to the relevant Statement of Work (which shall be unaffected by such withdrawal).

11.5 The Supplier may charge for the time it spends on preparing and negotiating Change Orders which implement changes proposed by the Client pursuant to clause 11.3 on a time and materials basis in accordance with the Reference Charges.

11.6 Where for any reason the parties do not enter into a Change Order, but the Supplier provides Services outside the scope of an applicable Statement of Work, the Supplier shall be entitled to charge for such Services.

12. Charges

12.1 In consideration of the provision of the Services by the Supplier, the Client shall pay the SoW Charges.

12.2 Where the SoW Charges are calculated on a time and materials basis:
